

Pie – Hot or Cold Terri Jenkins-Brady © 2020

Pies are round
or pies are square.
Pies win awards at county fairs.

Pies may be sweet or buttery,
delicate, prize-ribbon fluttery,
or filled with fruit like apples and pears.

Pies may have one crust or two,
may be made from cherries or berries too.
But the enigma they present,
the awful, terrible torment
is the inevitable question of old:
“Do you want that hot, or cold?”
